ABOUT US

Imperial, The Brand established in the year 1961, as a leading player in the food industry and got engaged in preservation, manufacturing, supplying a wide range of vegetables & Processed food. The Company later launched Frozen Vegetables & Fruits, Canned Food, Sauces, Jams, Crushes etc. All our products are made by using premium quality ingredients and are marketed under the brand name of "Imperial". Made under strict compliances with defined quality standards, all our products are processed with attention to accurate combination of ingredients and hygiene, making them rich in taste and flavor. Our products give you a home made taste and natural health benefits and are supplied in bulk to hotels, restaurants, retail chains, ready-to-eat-food making units and other bulk buyers.

We hold the privilege of catering to different clients across the nation and have maintained a satisfactory customer base. Successful in keeping pace with the changing trends, we are capable of offering products as per the taste preferences of buyers. Our modern infrastructure, team of professionals, extensive knowledge of products and market presence has enabled us to reach a point where we stand, owing to our most modern and well established vast production facility. We manufacture nearly 1000 tonnes of frozen vegetables per month by IQF technology, thus successfully meeting the market requirements far & wide.
